

## Human Resources Internship

The objective of the Human Resources Internship is to provide students with an opportunity to gain “real-life” experience in a variety of functions of a Human Resource department including recruiting, hiring practices, onboarding strategies, payroll responsibilities, benefit administration, worker safety, and more. The intern will provide direct support to the Human Resources department by accomplishing a variety of tasks and assignments.

### Highlights:

- Paid Internship
- One - on - One Mentoring
- Networking Experiences with Industry Members

### Opportunities include:

- Understanding of HR policies and programs
- Exposure to all areas including partnering on talent management (sourcing, attracting, hiring and on-boarding).
- Insight and exposure to employee interactions and experience on all levels
